Hospitalization, Surgery, or Anesthesia Authorization:

As owner (or agent for the owner) of the pet described above, I authorize San Juan Veterinary Clinic to perform diagnostic, therapeutic, anesthetic, emergency, and surgical procedures necessary for treating and maintaining my pet's health and well-being. San Juan Veterinary Clinic uses the safest equipment and medications, and will take precautions to insure the safety of my pet at all times. I am fully aware of the risks involved with anesthesia and the possibility of an adverse reaction. I give my consent to San Juan Veterinary Clinic staff to perform the following procedures:

Contact Person and relationship to patient:
Phone number you can be reached at today?
Procedures:
Would you like an estimate of costs?

Pre-anesthetic Testing Release:

Advances in anesthesia and surgery have made routine procedures relatively safe with low rate of complications. Nevertheless, occasional problems can arise. We recommend that all patients be screened prior to anesthesia by means of the following laboratory tests.

*Pre-anesthetic bloodwork screening:
Level 1 (\$69.00), level 2 (\$108.00), or Level 3 (\$139.00)*

Microchip \$ 47.00
Heart Worm Test for dogs \$27.00
FELV/FIV Test for cats \$41.00

Signature:

All accounts are paid in full at the time of services, no exceptions.
